

## TIMED EVENT/ROUGHSTOCK EVENTS

**These events in most cases are being put on by the Association during Covid to give our membership a rodeo/event to compete in.**

All Contestants entering a Timed Event/Roughstock Event must have a current FCA Membership or a membership of a co-approved association. No Local entries (unless a current rodeo committee chooses to put on an event then they may ask to have locals)

To be classed as a Timed Event/Roughstock Event – there is no requirement to have added money.

These are being put on by the association to give our members a place to rodeo.

The Stock Fee, Finals Fee, Office & Committee Fee & Barrel Timer Fees will all be charged same as regular season.

The entry fees listed below are minimum fees charged.

Dues to time constraints it may be decided by the committee that they are only allowing 1 run/ride per person

## TURNOUT RULES APPLY – See Rule Book for Turnout information
